

Viking

They are the snow that has fallen on the mountains. The drops that will grow to ripples and become a fountain, a spring singing the song of Youth. A spring of jubilation where few jagged peaks will hinder their onward flow. A flow that will lead them to a river of mammoth experience.

Dedication

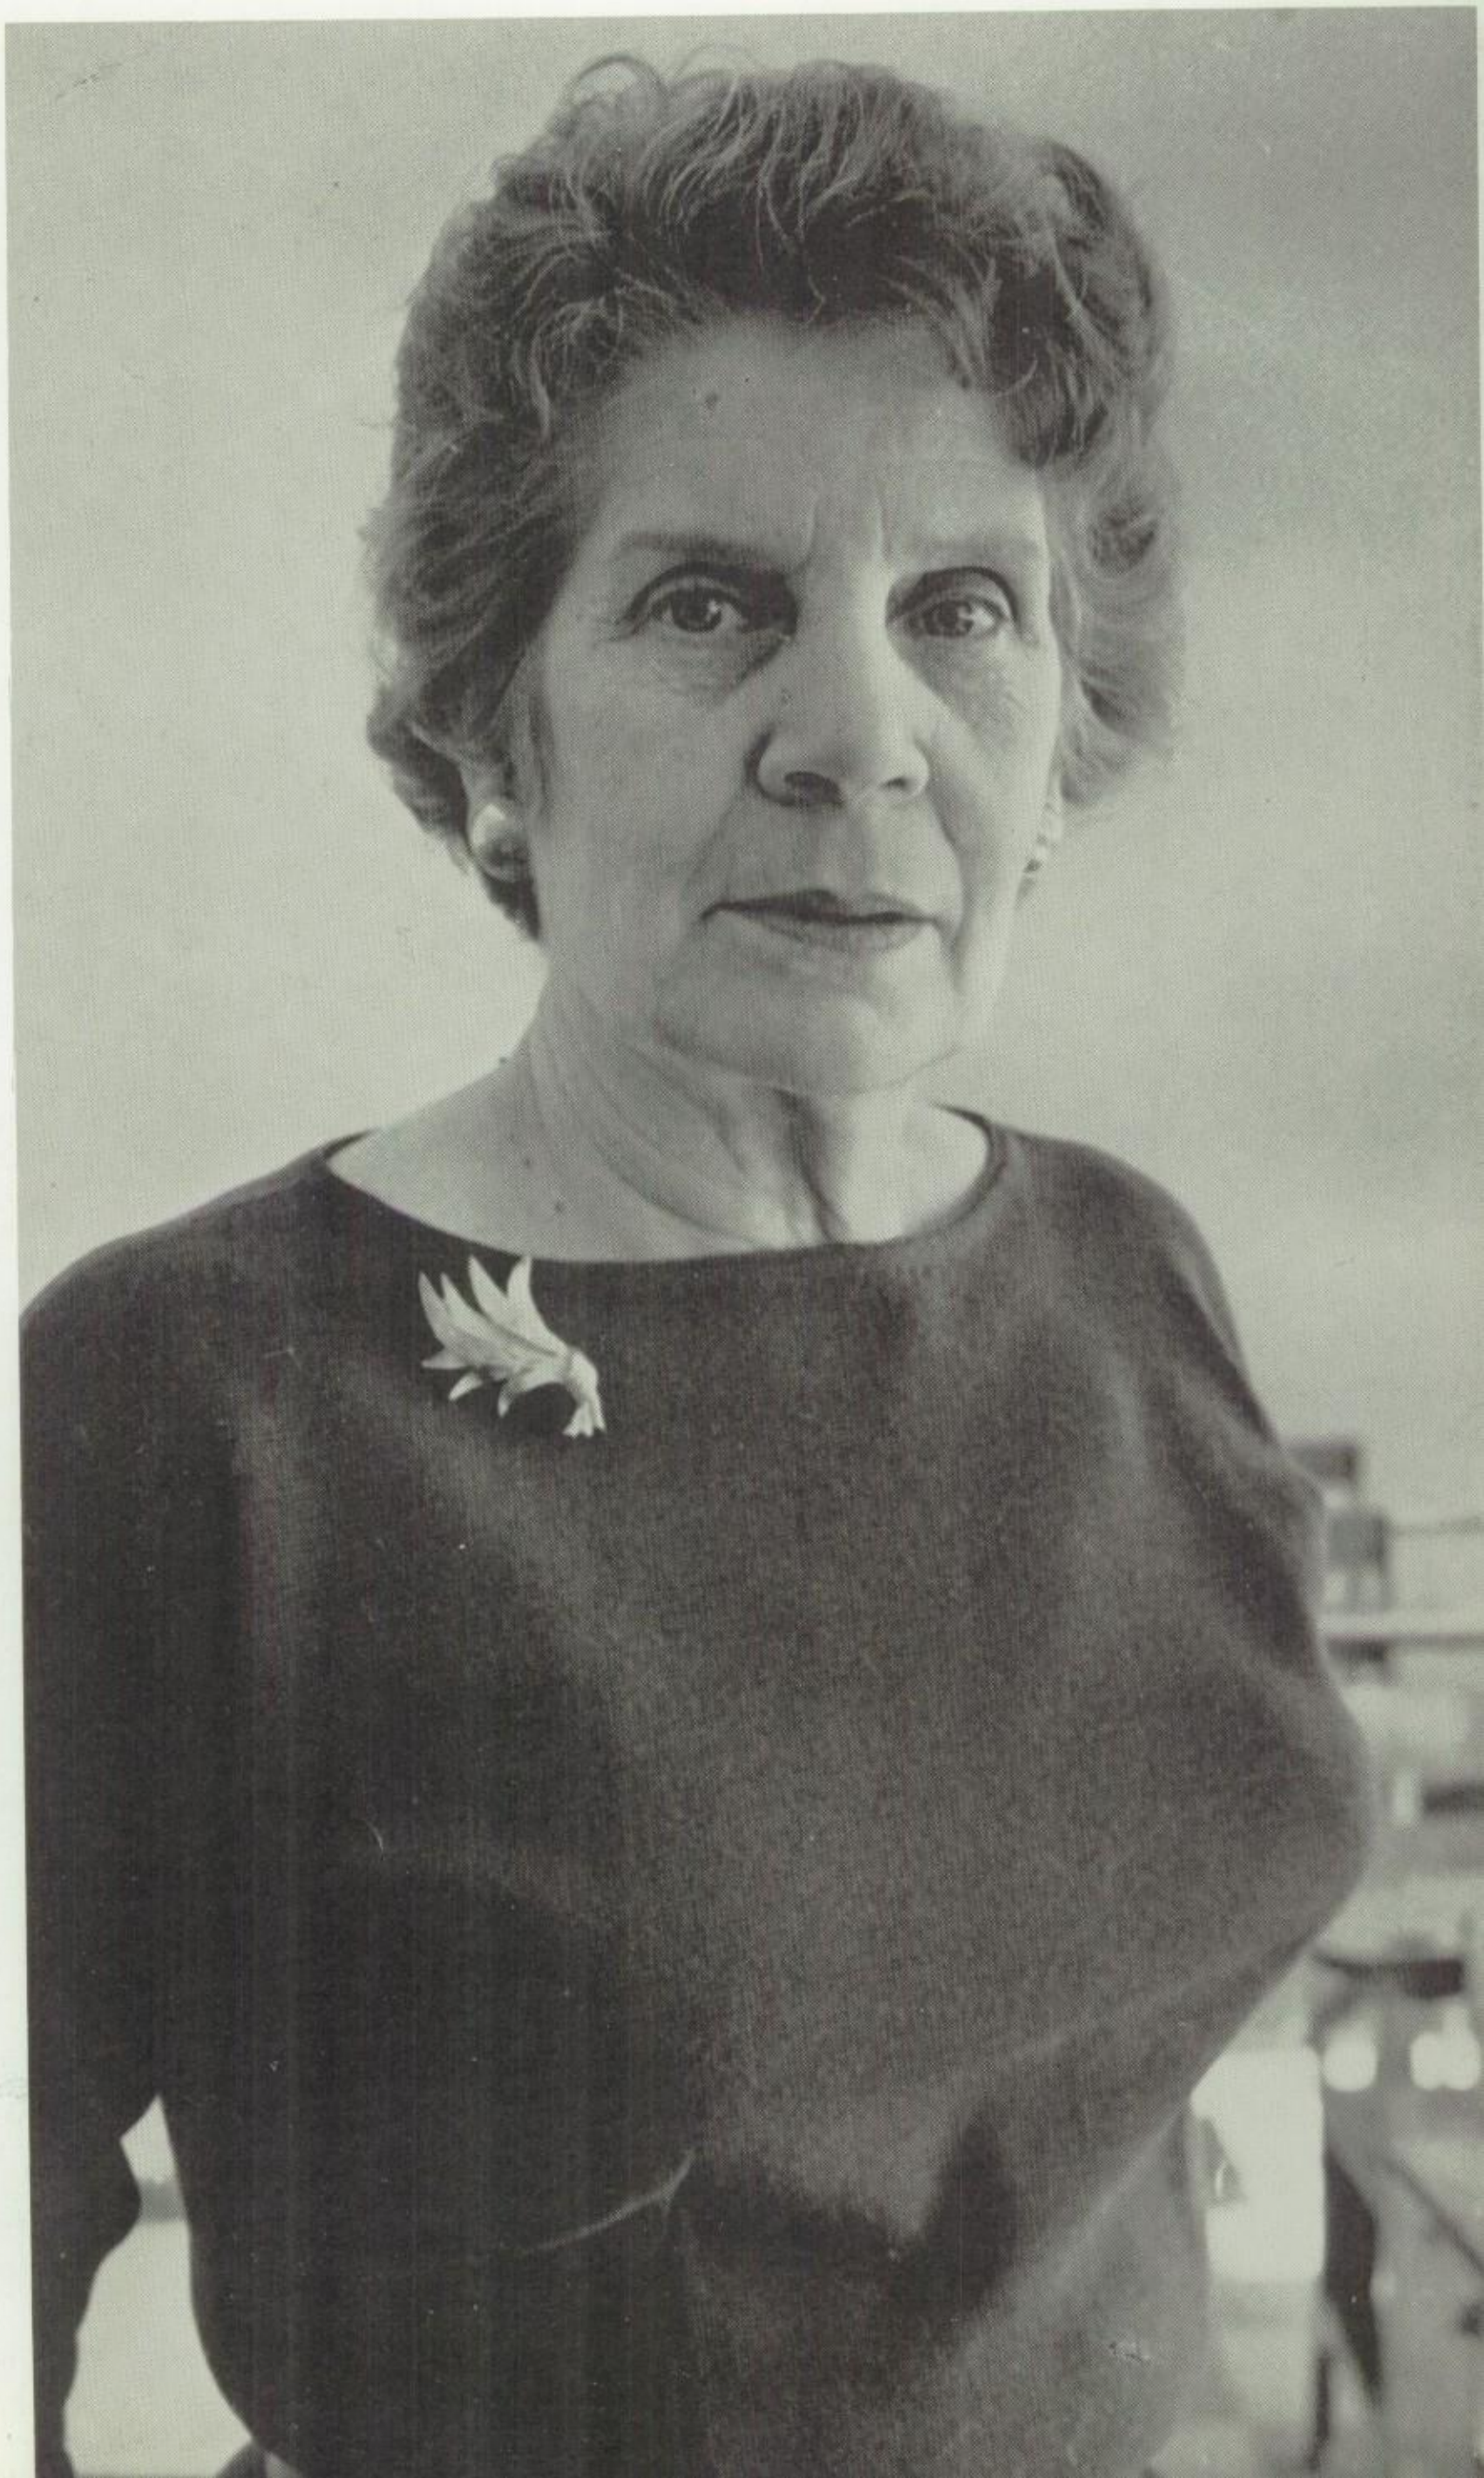

FAYE WILLIAMS

We the students of Hopewell Memorial High School are honored to dedicate the 1963 VIKING to you, Mrs. Faye Williams.

During your twenty-one years here at H.M.H.S. you have established a record to be commended. You have more than capably fulfilled the positions of English, physical education, health teacher, and '63 class sponsor.

Your excellent qualities as a teacher and your sincere friendship have influenced the lives of many graduates. Your patience, intelligence, initiative, and great desire to teach have supplemented your commendable character.

We feel privileged to know you and we thank you for sharing your life with us at Hopewell.

In Memoriam

EUNICE PETERS

Generous, warm-
hearted, so kind
and true

Loved by
everyone
through and
through

We miss her wit
and her ready
smile,

She used them
freely all the
while.

She worked with
us for sixteen
faithful
years—

And her passing
has brought
many tears.

She was a loyal
teacher, a
friend of the
poor

May her soul rest
in peace
forevermore.

Dear Hopewell High, we'll cherish 'thee forever;
 Where-e'er we go, although our paths may part,
 In all our thoughts, thy name will be remembered;
 Thy flag unfurled wave golden and blue.
 We sing thy praise, with voices raised in high;
 Deep in our hearts, you'll never die.

JOHN P. MILANOVICH—Supervising Principal

DONALD KRATZERT—Administrative Assistant

Mr. Milanovich, Supervising Principal, and Mr. Kratzert, Administrative Assistant, observe with pride your progress from the first grade through the twelfth. Mr. Smith and Mr. Mulik open the door to junior high, and with the help of your teachers, guide you to the threshold of senior high, where Mr. Bonomi takes over. The end is at diploma time when you are ready to spread your wings and fly on to new horizons.

CAMILLO BONOMI—High School Principal

STEVE J. MULIK—Assistant Principal

With the tremendous increase in school enrollment, your administration was confronted with the challenge of supervising the crowded conditions and of seeing that everyone received the proper education.

Courageously, your administration has tackled this challenge; and victoriously, it has reached its goals.

The staff of the Viking, with resolution and determination, went about the task of bringing to you a picture of our school life.

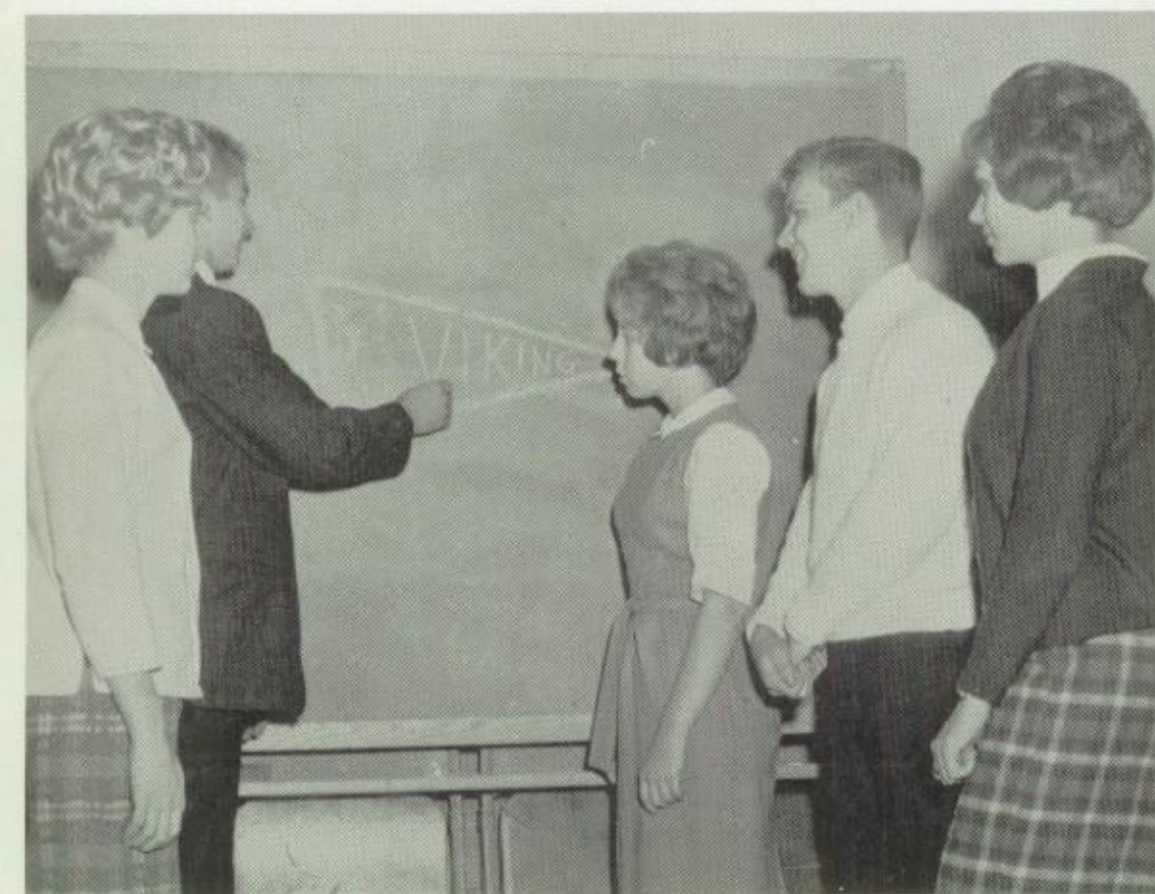

Mr. Lizak, sponsor, and editor, Kapi Milanovich, have led the staff and our yearbook over the past year with ease and confidence. The staff has tried to give the profile of our school to you the student in the '63 Viking. Although this is truly the seniors' book, the activities, sports, and classes, we hope, will hold enjoyable memories for you, the student body.

The Student Council offers a superb opportunity for each pupil to express himself through an elected representative on issues which he considers important. This is training in leadership and in the democratic process.

Endorsing a Thanksgiving Dance, taking over control of the Public Address Club, manning a reception desk in the lobby, sponsoring a Clean-Up Campaign, and maintaining the Student Council Bulletin Board have been some of the activities that have kept the Student Council busy this year.

The Scarab Club of H.M.H.S. consists of a group of sophomores, juniors, and seniors, who share a mutual interest in art. The club takes pride in decorating the school halls for the various holidays. It works many long hours, but the results are well worth the effort. During the year, the members enjoy several different trips; one of the more educational, the

Kaufmann's Art Exhibit, has become an annual affair. A trip taken strictly for pleasure was the trip to the Ice Capades. The members had many thrilling moments later at the ice skating party, trying to imitate the tricks they had seen! An annual Christmas party gives the club something to look forward to, and the spring picnic is a perfect way to end a wonderful year.

Practicing square dances begins long before contest.

The Leaders Club of Hopewell High provides all members with a chance to establish responsibility, leadership, and the art of working with others.

The girls are voted into the club at the end of their sophomore or junior year. The point system is the basis of the club, and points may be received for active participation in the various projects throughout the year.

This year the Leaders Club participated in the selling of football mums and basketball programs; sponsoring a football week-end which included a special assembly parade, bonfire, and Senior Recognition Night; and sponsoring a square dancing contest and the Annual Leaders Club Show.

The school newspaper, *Hi-Lites*, entered a great transitional period during the past year. Besides the editor-in-chief, the staff added three co-editors and two staffs.

The paper, published in the Beaver Valley Times each month, prints the news of extracurricular activities and general school happenings through an organized system of departments and a staff of reporters. They have added such columns as "Hopewell High Spots," "Sports Spots," and "Seniors on Parade."

Although many long and hard hours were spent on the publication, the product was very rewarding for the staff and student body.

Endeavoring to broaden their scientific knowledge in many areas, the members of the *Science Club* have had an active year. Meetings were held on the first and third Mondays of every month under the direction of Mr. Rowley, club sponsor. Field trips were planned throughout the year and were the club's most enjoyable projects. This year trips were made to Buhl Planetarium, Allegheny Observatory and California State Teachers' College. The *Science Club* has been so successful in recent years that the club enrollment has increased beyond all expectations.

The future foundation of our educational system lies in the hands of the *Future Teachers of America*.

This year the organization has worked to accomplish its main objective, to become better acquainted with the opportunities of the teaching profession. The members have divided into secondary and elementary groups. These groups have discussed and presented programs on the various requirements and benefits of each division. They have also toured state colleges, attended conventions, and made our student body more aware of the teaching profession through bulletin boards and community projects.

"Slide-rules out! Now see if you can work this problem." This is a common remark made by Mrs. Sara Brown at the bi-monthly meetings of the Math Club.

Any Senior High Student who has a B average and a true interest in the subject may become a member. During the year, these future mathematicians have reviewed different problems for the College Boards, worked toward a sound mathematical background for college and discussed the art of topology. The club also attended lectures and toured industrial centers in the immediate area.

For every holiday, whether it is Christmas or Veteran's Day, the *Junior Red Cross* has rendered its service towards the hospitalized by making favors, placemats, and get-well cards. With the capable guidance of Mrs. Dorothy Sanborn, the 26 members have made scrapbooks containing pictures of pets, nursery rhymes, and games to be distributed to the children in orphanages. This club's first objective is to serve one's community, not one's self.

Encouraging and aiding the American girl is accomplished through the *Future Homemakers of America*. During the year the club members are kept busy by many state and national projects. The girls also serve at all the banquets held in the school cafeteria during the year, and the tips they receive from these banquets are put into their scholarship fund. The club is very proud to have as members Jean [Name] and Sue Valdechick, who are State Treasurer and County Vice-President, respectively. Through the Future Homemakers of America such activities as the "Thanksgiving semi-formal, dress-up day," and school clean-up have been introduced.

Varsity Club

The Varsity Club, the delta of athletic ability and achievement, has become the goal of all participating athletes at Hopewell Memorial High School. Earning a letter in any varsity sport is the primary requirement for membership in the club. A member must participate in the individual sport he has earned a letter in the remainder of his high school days. Membership in the club is a sign of proficiency in sports; therefore, each athlete has made one of his goals, membership in the organization. The main purpose of the organization is to promote the athletic program for the betterment of sports and development of good sportsmanship.

 ROW 3—E. Neubaur, H. Davidson, D. Weberking, B. Cervi, F. Kier, J. Barth

The *JETS* club is designed to give students interested in engineering or some other technical field a better knowledge of the work and education necessary for these jobs. It is also used as a means by which a member can become eligible to receive many different scholarships. It is a nationwide organization that has affiliations with many universities and colleges. The Hopewell Chapter has been in existence for 3 years under the able direction of Mr. Dan Kraft, the drafting instructor.

Library Club

The *Student Library Club* of Hopewell Memorial High School is primarily a social organization for those students on the library staff. The members must maintain a "C" average in all scholastic subjects and devote at least one period per week to library work. The student librarians aid fellow students confronted with problems concerning rules of the library and library functions. Their many duties involve checking books in and out, arranging books on the shelves, and procedures necessary for preparing books for circulation.

Record Club

To increase an interest in music, to provide the records for social events, to help in supplying the school with musical equipment is the purpose of the Record Club. Under the leadership of Mr. Louis Elias, who has been the club sponsor for the past five years, the club meets bi-weekly. This provides time to plan activities and discuss coming events.

Sponsoring socials and selling soft drinks at the basketball games are the main projects of the Record Club.

TEOBALDO DeSANTIS
Director

The river has been reached and will travel over lands of fertility and desolation. The jagged rocks and whirlpools will be many. The river will have run its allotted span till it ends in a silent sea, a peaceful dream. It will have run its course and return to its Creator for a more beautiful or turbulent course. Why wonder what is ahead of the flow for only He may know.
